Every child values their voice for success in life and the community

## School Values

Caring Code : We show we care, We show respect, We do our best

### OUR STRATEGIC GOALS

Goal 1:

To fully understand and address barriers for our most vulnerable learners for example attendance, engagement and family vulnerabilities.

Goal 2:

To further enhance our phonics programme by embedding unlocking and sounds, with a particular focus on closing the attainment gap for vulnerable and disadvantaged pupils.

Goal 3:

To implement a structured StepLab coaching programme that develops consistently high-quality teaching through evidence-informed coaching, deliberate practice and regular feedback, leading to improved pupil outcomes across the school.

Goal 4:

To strengthen our impact as a Voice 21 Centre of Excellence by championing and sharing exemplary oracy practice across the Trust and beyond, raising aspirations for all pupils through developing confident communication, broadening horizons, and recognise the opportunities available to them in the future.

## OUR SCHOOL VISION

## BWMAT 5 PLEDGES

Our Education Strategy is built on 'Eight Characteristics of Excellence'. Through co-production with schools, we have identified what we believe will make the biggest difference to children achieving the best. Reflective Leadership; Starting well together on their education journey; A curriculum for an ever-changing world; Teaching excellence along with inspired learning; The celebration of diversity and difference; An environment where physical and mental wellbeing encourages learning to flourish; Outward facing opportunities - looking beyond the horizon; We know and believe if these key characteristics are at the forefront of everything we do, we will achieve excellence.
